

Scorecard

Name of Candidate	HARSH NITESH BARI	
Parent's/Guardian's Name	NITESH SHANKER BARI	
Registration Number	CS23S12016130	
Date of Birth	30-Apr-2001	
Examination Paper	Computer Science and Information Technology (CS)	

GATE Score:	491	Marks out of 100:	45
All India Rank in this paper:	3251	General Qualifying Marks*	32.5
Number of Candidates Appeared in this paper:	75680	EWS/OBC (NCL)	29.2

Valid up to 31st March 2026

Prof. Preetam Kumar M. Mohite
Organizing Chairman, GATE 2023
on behalf of NCB-GATE, for MoE

* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

General Information

The GATE 2023 score is calculated using the formula

$$\text{GATE Score} = S_q + \left(S_t - S_q \right) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2023 scorecard

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

In the GATE 2023 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2023 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2023 was organized by Indian Institute of Technology Kanpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.
